Dear Mr. Rhochar:

Dr. LaVey has been favorably impressed with the skill and mastery you have shown in various opportunities to represent the Church of Satan and Satanism in general. You have proven yourself to be magically and materially adept. Therefore he felt it was high time you were granted the title of Priest, in recognition of your dedication, knowledge and ability. May the fires of Hell continue to strengthen and inspire you.

The Pentagram of Pacts**

**“The pentagram is used extensively in Black Magic, but when so used its form always differs in one of three ways: the star may be broken at one point by not permitting the converging lines to touch; it may be inverted by having one point down and two up; or it may be distorted by having the points of varying lengths. When used in black magic, the pentagram is called the ‘Sign of the Cloven Hoof,’ or the ‘Footprint of the Devil.’ The star with two points upward is also called the ‘Goat of Mendes,’ because the inverted star is the same shape as a goat’s head. When the upright star turns and the upper point falls to the bottom, it signifies the fall of the Morning Star.” - Manly P. Hall**

# The Structure of Freemasonry

American Freemasonry resembles the sets of stairs that begin and end together, at the start of Masonic structure above. A Mason's first step is to become an Entered Apprentice. He stands in the third step, where most Masons stay. If he wishes to go on to Master Masonry, he enters under the fourth or York step. Many continue on the fifth step, the one known as York, England's step, by which the first Scottish Rite was organized.

In the Scottish Rite a Master Mason, 33 steps, or degrees, the name he takes on at each degree is written on each step he starts. Those there are few admit that step is used by northern Masons, the related one by southern Masons. Some ignore a Master Mason as the ceremony is said to be done from behind: King Solomon, King Cyrus, George Washington, Nelson, both degrees under a sword. To each degree confers from the most and participants in ceremony denouncing it. A 33rd step

highest degree a Mason can earn. The 33rd is awarded by the Supreme Council, being only of the Rite.

A Mason in York Rite advanced 25 degrees, known as some and not by degree number. He starts on degree one, moves to each degree as the degree symbol. Degree one, simple workman, Part Master (Partial), level, independent, Right Prince of Israel, King Hiram of Tyre, Knight of Malta, Knight Templar, equal to previous in 33rd in Scottish Rite.

Under the arch an organization allied to Freemasonry, Master Masons are eligible for Comte and 7th Order of Lebanon. Only with a Master in the lower, you join into the order of Knights, Comte, the Comte, Comte, Comte, Comte, Daily 33rd Master or Knight, Comte, can join the Order. Master's title is in a Chapter of the Rite.

Most important of many Masonic symbols are the open Bible with square and compass set at right; Solomon's temple (Stone 20th); and the G with the following symbols: upper right, in the U.S. the G stands for God.

The image is a dark, grayscale collage of four photographs. The top-left shows a soldier in a blue uniform saluting. The top-right shows a Nazi officer in a brown uniform pointing his right arm forward, with a swastika on his sleeve. The bottom-left shows a marching band in dark uniforms. The bottom-right shows riot police in black gear on a city street. Overlaid on this collage is the text "AUTHORITY IS NOT TRUTH" in large, white, serif font. The word "NOT" is underlined.

**AUTHORITY  
IS NOT  
TRUTH**

A silhouette of a person with their arms raised, reaching towards a bright, glowing light source at the top center. The person's arms are spread wide, and their hands are near the top of the frame. The background is dark, with the light source creating a strong glow and casting a shadow of the person's arms and hands onto the light. The text 'TRUTH IS AUTHORITY' is overlaid in a bold, white, serif font, centered horizontally and vertically. The word 'TRUTH' is at the top, 'IS' is in the middle, and 'AUTHORITY' is at the bottom. The text is slightly shadowed, giving it a three-dimensional appearance as if it's floating or attached to the person's arms.
